CHAIRMAN'S MESSAGE

The volatility in the economy and market place is continuously offering challenges to B-school education and the institute, based on feedback from the industry, alumni, academicians and students continues to review and upgrade its curriculum and improve its delivery to meet these challenges. AIMS, established in 2005, primarily to promote quality Technical and Management Institutes, Alard Group of Institutes has brought all state students together. Alard believes only in quality education of world standard.

Alard Group of institutes take all pain to update their academic excellence on the regular basis increase the practical component of their professional training and come as close to industry standards and requirements as possible.

We at Alard offer different programmes like MBA, MMM, PGDM, MCA, Engineering & Pharmacy with just one motive of providing the industry with leaders having the strategic skills and vision necessary to attain organizational and personal goals. Alard make sure that the students are well equipped and all armed with the skills and tacts to face and overcome with the challenges of the rapidly changing business world.

We at Alard believe "Knowledge is Power" and Alard over the years has been in service of empowering students by transferring of GYAAN, BUDDHI and VIVEK.

L. R. YADAV
Founder Chairman
